Chandler News Notes

IMPROVEMENTS AT SCHOOL

Chandler's school directors, ever on the lookout for the best interests of the schools, have made a big improvement in the pipe system, for the water supply. New pipes have been put in giving a greatly increased flow of water. The small size of the former pipe line to the drinking fountain, made it impossible to get enough of water to meet the demands of the large number of pupils enrolled this year.

FINE MUSICAL

One of the most tuneful entertainments ever given in Chandler was heard in the L. D. S. Hall on Tuesday evening. The "Chimes of Normandy" were certainly appreciated to the full by the large crowd present. Professor Hansen of the Mesa schools is to be congratulated on his meritorious work as evidenced in the excellence of the music given under his direction.

ENTERTAINED

The ladies of the Monday Afternoon club were entertained at the home of Mrs. P. B. Smith. The serving of dainty refreshments was a feature of a most pleasant afternoon. The club met again on Tuesday afternoon at the home of Mrs. F. C. Jordan, for the discussion of plans for a special meeting to be held in the near future.

MORE IMPROVEMENTS

The Christian Scientist congregation continue to add to the attractive appearance of their church building. This week they are having the floor painted. Mr. Burt Snyder is in charge of the work.

AN OVERLAND TRIP

Mr. and Mrs. Ray Parker started on Tuesday on an overland trip to California. Mr. Parker has been the chief engineer at the San Marcos and during their stay in Chandler made many friends who will greatly regret their departure.

TO CALIFORNIA

S. C. Leeson left on Tuesday evening for Los Angeles. He expects to spend the summer in California, part of the time in San Diego and part in San Francisco.

REGULAR MEETING

The W. C. T. U. held a meeting in the Methodist church Thursday afternoon.

WOMAN'S CLUB SESSION

The Wednesday afternoon meeting of the Woman's club was marked by many interesting features. The president, Mrs. J. Webster Lewis, made an instructive address. The points emphasized were the necessity of loyalty and the co-operative spirit on the part of the members. The club took favorable action on a letter from Mrs. J. L. B. Alexander of the Phoenix Woman's club, relative to the Hughes vocational educational bill, the Amherst adult literacy bill and the national park service bill. A paper of special interest to Chandler people was read by Mrs. K. M. Gilbert. It dealt with the tariff commission and the necessity of having representatives from agriculture and labor on the commission. The matter of the yard contest was next taken up, and Monday, May 8, set for the first judging day. Messrs. W. Knox and Blasingame of Phoenix and Farm Advisor Armstrong have consented to act as judges. It is especially urged that all ranchers enter the contest, registering before next Monday. In connection with the contest Mrs. H. A. Walte read an interesting article on beauty in and around the home. The club has decided to hold informal meetings during the summer months, and are now perfecting plans for programs including musical numbers and lectures.

SOCIAL ON FRIDAY

The Tucson class of the Methodist church announced an interesting program for this Friday evening in the L. D. S. hall will be interested in the good program announced for this Sunday evening. Quartette, McCallen sisters; solo, Gladys Berry; music, Miss Peeler; address, "Right Living," Dr. K. M. Gilbert; song, first intermediate girls; duet, Adelaide Peterson and Bessie Fuller.

A DAUGHTER

Born, May 3, 1916, an eight and one-half pound girl baby, to Mr. and Mrs. Albert Stedham. She has been named Julia May Stedham.

NO CITIZENSHIP FOR I. W. W.'S

[Republican A. P. Leased Wire]

WILKESBARRE, Pa., May 3.—Judge Peter A. O'Boyle, sitting in naturalization court here today announced that members of the Industrial Workers of the World cannot obtain citizenship papers in this country. He said they are undesirable, and withheld their petitions.

Tempe News Notes

BIG LEAGUE STUFF AT BENEFIT TONIGHT

World's Series Game to Be Screened at Benefit Show for the Tempe Bears.

Baseball as it was played in the world's series games last fall, when the Philadelphia Nationals and the Boston Red Sox were fighting it out for national honors, will be offered as a feature attraction at the benefit baseball show for the Tempe Bears at the opera house this evening. This is a big night for the Tempe ball game, for songs, instrumental music, and the club has arranged a series of big league baseball and some interesting photostats that will furnish three hours or more of entertainment for those who gather at the opera house.

The films of the world's series games arrived as a complete and most welcome surprise by express yesterday morning and the team boosters immediately added another attractive item to their line of advertising dope. Two thousand feet of movies, showing interesting happenings and thrilling features of the games in the big series last fall will be seen on the screen.

Though it is strictly baseball night at the opera house, there will also be run two reels of the interesting serial, "The Strange Case of Mary Page," and two good comedies. A saxophone solo by Mrs. Lillian Williams, several vocal solos and various other interesting numbers are also on the program.

The members of the Tempe team are selling tickets on every hand and a big house is looked for tonight.

FIREMEN'S OUTING

A big all-day picnic at the Granite Reef diversion dam on Sunday, May 14, is the plan of the Tempe Fire Department. The event is one that has long been anticipated and now that the date has been set, the officers and members of the department are busy assembling the details and getting things in order for the biggest outing ever. Members of the big hose companies will participate in the picnic and the chief has requested that those intending to make the trip advise the captain of their respective companies in order that an accurate count of the number going may be had.

"A BIRD OF PREY"

This Mutual Masterpicture night at the Tempe theater and the management has selected as its offering "A Bird of Prey," with Robert Whittier and Kathryn Adams in the title roles. It is a story of love, intrigue and revenge and is beautifully enacted by this pair of Mutual stars.

A NEW SPRINKLER

The board of public works of the town council has placed its order with the Studebaker Manufacturing company for a new up-to-date sprinkling wagon. The councilmen went into the details of the matter and strongly considered the advisability of purchasing a motor truck sprinkler, but the comparative cost of operation of the two outfits showed the truck too high. The new wagon sprinkler is expected to arrive within two or three weeks.

LADIES AID MEET

The
